SUITE CATERING MENU

To Our Suite Holders

With Alerus Center suites, you have a valuable asset for your personal enjoyment and entertaining of family, friends, clients and colleagues. We are anxious to enhance your Alerus Center experience by offering food and beverage delivery to your suite. Listed below are some points from our Suite Food & Beverage Policies and Procedures.

Orders Will Be Delivered

To insure that we are able to fully accommodate your food and beverage requests, we ask that you place your orders three (3) business days in advance of the event you will be attending. We would like to thank you for the great job of getting your orders in early by rewarding you. You will receive a 10% preorder incentive if you get your order in before the 3-day advance deadline. You can call in your order, email it, or better yet, fax it to us at 746.6511 using the order form provided in your menu packet. Please remember that we will need the information on the heading of the order form filled out for each event. We recommend filling out that portion of the page that will always repeat (i.e. your suite number, call back phone number, etc.) and copy it for future needs. Should you ever need additional order forms, we will be happy to send you a new one. A suite server will bring your order to your suite upon your arrival unless you pre-specify a different time of delivery on your order. Space for Special Notes is provided for you on the Order Form. Suite servers will also check on you and your guests throughout the evening for items you might like to order from our “Night of Menus” or from Concessions Stands.

Order from Our “Day Of” Menu and Concession Stands

The “Day Of” menu will be placed in your Suite prior to the event. Our full concessions menu will also be available.

Alcoholic Beverages

Our menus include an expansive sampling of beverages to choose from. These items will be delivered to your suite for the event that you order them. At the end of events, remaining beverages will be resealed and stored in your cabinets or refrigerator by your suite server. No one under the age of twenty-one (21) is allowed to purchase, possess, or consume alcoholic beverages under any circumstances. While the entry to your suite is closed, you are responsible for assuring that no one under the age of twenty-one is allowed to obtain alcohol. Although your suite is ostensibly an extension of your home, it’s location in a licensed premise of the City of Grand Forks subjects alcoholic beverage consumption in the suite to applicable laws. Alcoholic beverages cannot be brought into or taken out of Alerus Center. Glassware, bottles, and cans cannot be taken out of your suite, as this will violate local Grand Forks ordinances.

Unlocking Requires your Permission

You will need to let us know if you want your suite or your cabinets unlocked prior to your arrival for any event. The suite order form provides a place for this. It is not recommended to have any alcoholic beverages unsecured prior to your arrival if minors will be present.

SUITE CATERING MENU

Payment for your Food and Beverage Orders

To help us assure that your account is charged only for purchases you authorize and to allow others attending in your suite to make purchases, we will accept payment in the suites as cash, check, credit card, or credit card on file for purchases you make or authorize. The suite order form requests the name of the Suite Host for the evening that you are authorizing to make purchases on your account.

Something You Want Not Listed?

We will be happy to provide you with any of your favorites that may not be on the menus at this time. Simply let us know your wishes in advance and we will go to work on it.

All Food and Beverage in Alerus Center

The Alerus Center and its sub-contracted Specialty Item Vendors are the exclusive providers of food & beverage on behalf of the City of Grand Forks for all guests of the Alerus Center. Bringing food & beverage items into the facility is prohibited, and in some cases, unlawful and/or dangerous. Alcoholic beverages cannot be brought into or taken out of Alerus Center.

Fax your pre-orders to 701-746-6511

**Receive a 10% pre-order incentive if order is received prior to 3-day advance deadline.
A 15% gratuity and applicable sales tax are added to all orders.**
